

## EcoIntense awarded as one of the best employers

### Software company takes third place in “Best employers in Berlin-Brandenburg 2015” contest

Berlin, February 2, 2015 – The Berlin based software provider EcoIntense wins third place in the category “Companies with 10 to 49 employees” of the regional Great Place to Work® competition. The award distinguishes extraordinary achievements in creating attractive working conditions, such as trust, team spirit, career development, salary, health promotion and work-life balance. CEO Markus Becker is proud to receive the award: “The result of the independent survey by the Great Place to Work® Institute confirms that, despite living in our fast-paced world, we have succeeded over the last few years in establishing a corporate culture that puts people center stage. This award does not only encourage us to maintain the status quo, it spurs us on to become even better.” With its 48 employees EcoIntense develops EcoWebDesk, the off-the-shelf software solution for Health, Safety and Environmental (HSE) Management.

Great Place to Work® is a global research, consulting and training firm that helps organizations in nearly 50 countries identify, create and sustain great workplaces through the development of high-trust workplace cultures. Part of its strategy is organizing and conducting regular benchmark studies and employers competitions.

*EcoWebDesk® is a comprehensive and integrated off-the-shelf software solution for occupational health, safety and environmental (HSE) management. In EcoWebDesk key indicators and business goals can be aligned with operational requirements, environmental protection regulations, legal norms as well as workplace safety requirements and risk management. The software is fully compliant with DIN EN ISO 14001, 50001 and OHSAS 18001, officially confirmed by the global DEKRA Group. EcoIntense GmbH is certified according to DIN EN ISO 9001. The company is headquartered in Berlin, Germany. Further offices are located in Lower Saxony and Bavaria (Germany) as well as in Houston, Texas (USA).*
